

148 East Front Street
Suite 301
Traverse City, MI 49684-5725

A “Phase 1 Meeting” is the first step in MAEAP verification.

GAP Audits are required by more and more food buyers. This workshop will help prepare growers for their USDA GAP Audit in 2010. There have been significant changes to this audit. Growers who completed workshops and food safety plans in 2009 should still attend this one!
